Ideas &
Inspiration.

Welcome.

This is designed to give you some general information, ideas and a starting point for your project.

Created by using many images of Finesse installations that are situated in Cumbria, S.W.Scotland, Northumberland & Lancashire.

More detailed brochures available.

Ranges, Detail & Brochures.

More brochures on individual ranges are available to give you more options, details and information on specific ranges.

If you're looking for anything in particular...please just ask.

Our Factory.
We have our own purpose built factory, allowing us to manufacture, supply and install products that are made to measure.

Our Team.
We have a well established and experienced team with a shared vision and wealth of knowledge. Always happy to assist.

Our Service.
We have an excellent reputation for our high levels of service and attention to detail, giving total peace of mind for any project.

Our Showrooms.

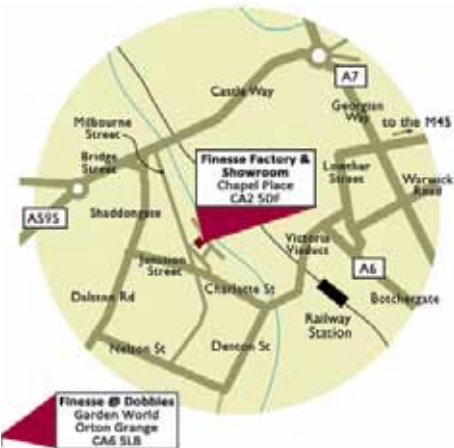

We have two showroom sites. Please feel free to visit either or both for more information and to see the products.

With the ever increasing pace of the industry, information and options change. We encourage all our customers to view our website and showrooms.

The showrooms allow you to view the product and explore different options with the opportunity to meet the team and see some of our work.

Your Quote.

Our Website.

Our website is a great place to source further information on the work we have done and to give some more ideas of what you can do.

We pride ourselves on giving our customers all the information to help make the best choices for their specific projects.

For this reason it is always advised to have a proper quotation done. This way any items that may need to be addressed can be highlighted - leaving no room for any hidden costs or surprises.

Showrooms:

Finesse, Arrburn House, Chapel Place, Milbourne Street, Carlisle, CA2 5DF.

Finesse, Dobbies Garden World, Orton Grange, Carlisle, CA5 6LB.

For opening times call **0800 083 1984** or view website.

Our Products.

We not only MANUFACTURE & SUPPLY our own products, but are also APPROVED INSTALLERS of other market leading brands.

Our Materials.

We have the ability to offer PVCu, Timber and Aluminium products. Always choosing high quality components to ensure best results.

Our Promise.

We will always endeavour to bring you the best product, service and care that we possibly can.

More detailed brochures also available.

Domestic Commercial & Trade

Please ask one of our advisors if you are unsure if we offer a particular range, brand or specification. Alternatively, visit our website for links and web enquiries.

Made for you.
The majority of our work is bespoke and unique to each property, for this reason the brochure is not a catalogue, it is a book of ideas.

More Choices.
We have so many different ranges, colours, finishes and options that it is impossible to show them all here. If you are looking for anything specific...please
just ask.
